

“We are so delighted with Villa Veneer. So many people come up and touch it and say “wow it is brick” and love the look of it.

Villa Veneer house owner

Villa Veneer can either be painted or you can choose from a range of natural colours or request a made to order colour to personalise your own style.

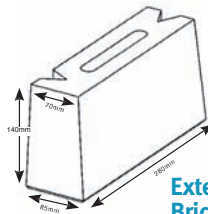

COLOURS Although every effort is made to maintain a certain level of consistency, some colour, aggregate and texture variations will occur and blending of pallets is recommended.

Villa Veneer recommends horizontal weephole vents for aesthetic purposes. Advanced air movement and drainage will occur with this product.

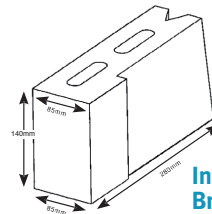

VILLA VENEER

WEATHERBOARD BRICK CLADDING

With a combination of appearance and durability, few materials offer the look of traditional weatherboard together with the peace of mind that comes with using a masonry product.
